. . . THE LATEST SGHS PRESS RELEASE

THE GANG'S ALL HERE to star in the latest San Gabriel High Studio's production, and **Mikey Matador** has been cast in the leading role. Born in Ohio, THE CINCINNATI KID moved to the valley area at the age of six. The Matador attended San Gabriel High School before he decided to go to HOLLYWOOD OR BUST. Upon completion of his senior year, THE GRADUATE in his search for fame discovered that it was A MAD, MAD, MAD WORLD out there in movieland. But the CITY LIGHTS had caught his fancy and he was determined to make it to FAT CITY. Suffering through HARD TIMES, he finally made it to THE OTHER SIDE OF THE MOUNTAIN.

While on his INCREDIBLE JOURNEY down the ROCKY road to success, Mikey held down various odd jobs. At one time he was a TAXI DRIVER, later he was employed as an entertainer in a small CABARET; and later still, he found work as an actor. Before starring on the silver screen, he appeared in a wide variety of roles on each major NETWORK.

Now considered by many critics as a GIANT in the entertainment field, Mikey has worked with many including THE GOOD, THE BAD, AND THE UGLY. With his talents in demand, Mikey is able to enjoy the luxuries of travel to such exotic places as the SOUTH PACIFIC several times a year. While vacationing in Europe last summer, he made newspaper headlines as AN AMERICAN IN PARIS spending A NIGHT AT THE OPERA. Always known as THE LADIES' MAN, Mikey often can be seen at a Hollywood party and upon several occasions has been reported to ROCK AROUND THE CLOCK when he had SATURDAY NIGHT FEVER.

HOW THE WEST WAS WON by the personality and charms of Mikey Matador is a story that can be traced back to his younger days as a student at San Gabriel High School. His experiences here at SGHS began when he had his first meeting with THE GODFATHER, Mr. Mount, at freshman orientation. That year, his schedule included the usual trip to THE ASPHALT JUNGLE for P.E. Then it was on to M*A*T*H with Mrs. Ayles and geometry. In his sophomore year, he encountered THE FRENCH CONNECTION when he took foreign language with Mrs. Hardy. He joined the Acappella Choir in the eleventh grade. They went on tour to San Francisco and winter weather caught them SINGING IN THE RAIN. After completing his first year of drama, he declared that acting was indeed his FIRST LOVE.

He too spent many a DOG DAY AFTERNOON in Biology daydreaming of warm summer days spent lazily at the beach. Daily, he could be found spending HIGH NOON on senior court stuffing freshmen in trash cans. He often felt HIGH ANXIETY as finals approached, but he survived and in fact graduated with honors. Recently, Mikey was quoted as saying that SGHS was "THE ONE AND ONLY place where he could have gotten such a great headstart on life."

SAN GABRIEL STUDIO TOUR

The San Gabriel High Studio is a Hollywood attraction that no Southern California tourist should miss. The studio is open Monday through Friday from 8:00 am to 2:40 pm for tours. 2208 (school enrollment) visitors are accomodated daily. Eager visitors anxious to begin the tour can be seen roaming the halls as early as 7:15 am, at which time they can see many actors and actresses making preparations for a hard day's work. Many days studio officials, Jack Mount, John Anderson and Sandy Mascorro, can be seen greeting the visitors. Strolling from the various sets, enables most tourists to see many performers in action, and on a lucky day they may even catch a glimpse of Mikey Matador in action. Drop by for a tour, and meet the stars! Take the San Bernadino Freeway to the New Avenue off-ramp, go north until you see SGHS on your left.

THE THREE MUSKETEERS

Mr. Mount likes to help people be successful. He enjoys working with others. Although he dislikes all the paperwork that accompanies his job, he still completes the responsibilities of principal. Some of his work involves seeing that all systems on campus work to the benefit of the students. Mr. Mount puts a great deal of trust in the students and he values the students feelings.

He leads the school and is assisted by two other outstanding administrators, Dr. Anderson and Mrs. Mascorro. Together the team makes up the strong administrative power, and effectively maintains high academic standards

Ms. Mascorro is in charge of the counseling staff and curriculum. She oversees formation of classes as well as registration. The computor, with all its data, is a part of her office.

Dr. Anderson is in charge of such huge areas as budget and student activities. He advises Executive Board and supervises games and dances.

ADMINISTRATION: John Anderson, Jack Mount, Sandy Mascorro

AMERICAN GRAFFITI

"Small and with a good deal of freedom," that's what Mr. Sickler, Art department head, said when asked what he liked about his department. He feels anyone who works hard can do well here. The small group and freedom is great, but he would like to have more space and time for the students. More classes, more freedom and money for student supplies is something Sickler would like to see in the future.

To speak of the present, Mr. Sickler, feels Beat The Devil is the movie title that represents his life. When asked why, he replied, "It's self explanatory."

ART: Valerie Bingham, Nell Frazier, Omer Dawson, **Not Pictured:** Donald Sickler

THE OUT OF TOWNERS

The newest department of the school is the Bi-Lingual Department. This department, headed by Mrs. Delia Nevarez, supervises both bilingual and ESOL programs for increasing numbers of students on the campus. These students are those who have a primary language other than English.

Mrs. Nevarez stated that "there is a real challenge and excitement in setting up and running a new department." In addition to a fine teaching staff, this department also includes many full time aides, all of whom are bilingual.

BI-LINGUAL: Delia Nevarez, Martha Waterman, Terry Thompson **Not Pictured:** Yolanda Gonzalez, Ellen Shafir

ORDINARY PEOPLE

BOARD OF EDUCATION: Mr. Richard Amador, Mr. C. C. Scanlon, Mrs. Mancha Kurilich, Mrs. Dora Padilla, Mr. Ron Apperson

SUPERINTENDENTS: Mr. Heber Meeks, Dr. Bruce Peppin, Mr. William T. Pickford

The duty of the Board of Education is to formulate school policy. The Board is similar to the legislative branch of government. The five board members are elected alternately, three at one election two at another. Each board member serves a term of four years, during which they meet twice a month.

Their responsibilities include supervision of the district teaching staff, physical plants and curriculum materials. They must balance the budget and provide quality education for all students in the district.

Who executes the policy once the Board of Education formulates it? The Superintendent and his assistants are the administrators of policy to the schools. They work in close association with the Board of Education to assure the schools' progress and development. These men provide quality education, and coordinate the school programs to provide all students with expert direction toward the future.

THE BAREFOOT EXECUTIVE

Oh God! is the movie title which Mrs. Garcia believes resembles her life. This choice comes in handy, because as head of the Business Department, she supervises the program which, "provides students with commercial skills for future employment." These skills include accounting, typing, office machine operations, shorthand and office occupational classes. Since the Business Department offers only elective classes, Garcia is proud to teach willing students who choose to take these courses. Her only problem is that the classes are filled with students, at such different levels of ability. It's difficult to teach them all and give them individual help. Mrs. Garcia commented that her students are very good, and she has a deep affection for them.

The hard working ladies of the cafeteria staff prepare meals for all the hungry students and faculty. They work diligently throughout the early morning, in the spacious kitchens, preparing and cooking food for the lunch hour. When lunch hour arrives, these versatile ladies serve, cashier and clean up for all the campus inhabitants.

The campus aides walk the campus to enforce the school regulations. They quickly become acquainted with most of the students and the faculty. Their cheerful reminders about rules encourage students to stay out of trouble. These men and women provide a calm atmosphere for everyone.

THAT'S ENTERTAINMENT

COMMUNICATION: Bruce Holthaus, Constance Shoemaker, Dennis Reed **Not Pictured:** Kelly Johnson

Entertainment and excitement surround Mr. Reed everyday. Therefore it is only correct that the movie title All That Jazz represents his life. His duty as Communications Department head is to provide students with practical knowledge in the art of the spoken language. Instead of strict assignments, the department lets the students create. Reed believes communications is an important part of education. "I feel what we teach branches out to all areas of school. We give students self confidence and self esteem." The department is fortunate to have, each year, talented students. But the lack of proper equipment slows down their learning process. When students are learning and growing they give Mr. Reed, "A very special feeling, because we provided them with a learning experience. It's a reward one doesn't receive in many professions."

Clerical ladies are the backbone of the school. They perform such duties as processing student records, keeping attendance records, putting out the daily bulletin and making appointments. They are constantly in a Paper Chase.

JUST TELL ME WHAT YOU WANT

What happens when students have class schedule problems, credit adjustments or a need for advice on future education and career interests? The students come to the counselors, who do their best to give encouragement and helpful information. The counselors are also responsible for the smooth operation of the registration process. These counselors are dedicated to the student body; without their informative reports and bulletins, the students would be unable to keep up with all scholastic information. The counselors are a unique blend of friend and advisor. They say, "Tell **me** what **you** want."

COUNSELING: First Row; Isabel Glanzer, Robert Freeborn, Dee Coe **Second Row;** Edward Tracy, Luis Villa, Stephen Kornfeld, Ernestine Bacio **Not Pictured:** Julie O'Donnell, Joy Sakata

The custodial and maintenance staff consists of very capable men, who work in the background, out of the spotlight. However, they do really important work. They clean the classrooms, hallways and the campus. They keep the lockers in working order. They check the lights, bells, heat and air. Even the files, desks and tables are under their care. They perform their jobs with a real Touch of Class - and there would be no "class" without them.

CHAPTER 2

ENGLISH DEPARTMENT: First Row; Gail Putman, Sherry Valdez, Ruth Wong, Lily Gilley, Nancy Martin **Second Row;** Steve Slagle, Joyce Uphoff, Julie Rivera, Connie Wright, Fran Traylor, Liz Leggett, Nancy Jenks, Kathleen Henderson, Joe Cornish **Not Pictured:** Betty Fenton, Hugh Buffum

When the English department head, Joyce Uphoff, was asked What does you department do?, her reply was "We make an earnest attempt to open young minds to the joy of literature "She feels that the strength of the English department is due to the fantastic enthusiasm of the teachers.

She was also asked, What movie title resembles your life the most? She quickly answered with The Diary of a Mad Housewife. She said the reason was obvious. "Who else is mad enough to be yearbook advisor?"

THE FOREIGN CORRESPONDENT

Mrs. Lorona, the Language Department head, feels the movie that best describes her life is Gone With the Wind. She said the reason why she teaches is because she loves kids and wants to see them succeed. "A foreign language helps to prepare students to live in another country; to prepare college bound students; most importantly it prepares students for the business world, where they might use a second language." Lorona says the teachers in the department are like a "closely knit" family. They enjoy working with each other and with the students.

LANGUAGE: First Row; Gloria Lorona **Second Row;** Sharon Hardy, Teresa Clark, Sue Sommer, Norman Estrada **Not Pictured:** Patty Rush, Ellen Shafir

HEAVEN CAN WAIT

First aide isn't the only thing the Health Department administers. Our nurse, Mrs. Woock, said the department also has some state mandated duties. A few examples of these are sports physicals, testing (vision and hearing), counseling and other necessary tasks. Sometimes these "other necessary tasks" can turn our nurse into a policeman. Even though a normal day consists of total confusion, Mrs. Woock feels the movie title "Ordinary People" is still appropriate. She wishes health and happiness to all students.

HEALTH: Janet Valentine, Everett Pojman, Patsy Woock

I NEVER PROMISED YOU A ROSE GARDEN

The greenthumb, Mr. Charlton of Horticulture, fits this title perfectly. The gardens, located at the southern end of the campus, offer students the chance to learn about growing procedures, maintaining and even harvesting. Teaching is in the classroom and also in the garden. The department is equipped with the tools which allow the students to practice what they learn. The Horticulture Department will continue to grow!

HORTICULTURE: Dave Charlton

DIARY OF A MAD HOUSEWIFE

HOME ECONOMICS: Linda Perry, Linda Hsieh, Sharon Kleven

She was so outrageous! It would be fun to experience life with that zest!" replied Mrs. Kleven about Mame in the movie Auntie Mame. She believes Mame resembles her life. As the Home Economics Department Head she is in charge of organizing a comprehensive home economics program that concentrates on life skills and relationships. A broader knowledge of life skills enables students to live a better life, because they have more awareness of interpersonal relationships.

Mrs. Kleven enjoys working with such nice people. She commented that, "As a department we do a good job, and we all enjoy what we're doing for the students. We, as teachers, take pride in our work." There is only one "bad apple" in the department and that is the constant fighting of the battle of escalating food prices. The budget doesn't keep pace with inflation, "we have to trim our program."

Grease

INDUSTRIAL ARTS: Frank Donnelly, Ted Omura, Wayne Holmes, Eli Jaramillo, Al Polh, Richard Nicholson

Obviously, the movie Grease resembles Mr. Pohl's life since he heads the Industrial Arts Department. Students are taught, through his department, to take materials in their raw forms and by using tools, machines and know how, design and transform these into, "items of beauty, usefulness and value."

Mr. Pohl enjoys working with the cooperative teachers who are willing to go beyond the minimum requirements in educating the students. Each teacher in this department is an expert in his field.

What are the ingredients that make teaching fun? Mr. Pohl believes the students are the ingredients. "Each student is an individual, and because they are different, they are fun to work with."

LOVE STORY

Busy and very much involved in her work Miss David, head librarian, feels that the movie title, **A Touch of Class** resembles her life. The library department activities include ordering library books, textbooks, all Media Center supplies and all the audio visual equipment and films. This is done to meet all the curriculum needs requested by staff, faculty and students. All incoming materials must be handled and processed by her staff.

What she especially enjoys about the department is the variety of work and how each day is different from the next. Her dislikes of the department include such irritants as people not returning borrowed materials and particularly all the time it takes to get the materials back. "Cooperative, well behaved and appreciative" is how Miss David describes the student body. She, and her staff, enjoys working with them.

LIBRARY: First Row; Esther Griego, Marion Corsette, Louisa David, Gloria McKee **Second Row;** Erma Fortner, Joan Morzov

What movie title best resembles Mrs. Ayles' life? Her reply was **High Anxiety** which is symbolically true since this was her first year as head of the Math Department. Her job was to organize the department; prepare students to pass the proficiency exam; prepare students for college and especially shape students for "daily math survival."

When asked what she particularly liked about the department, she replied "I enjoy working with such nice collegues." Laboring over the paper work and mounting chores are the two main objections she has about the department. Because of the many different pupils that come under her instruction, Mrs. Ayles likes to maintain a friendly atmosphere in the classroom, but she keeps the association at a respectful level.

CAN'T STOP THE MUSIC

MUSIC: Wayne Hoard, Mike Reynolds

It's a bird, it's a plane, it's Coach Loyd! What connection does Superman have with Coach Loyd? Loyd feels that his life resembles that of Superman. As P.E. department head, he has the responsibility of Superman. He has both students and faculty who depend upon him. To students he offers the opportunity to maintain and appreciate good health. "Hopefully the students will incorporate, in their lives, good basic physical strengths and physical activities that will enrich their lives," said Loyd. He believes the department's strongest feature is the compatability of the department members. Loyd commented, "This staff is one of the finest in Southern California."

Mr. Hoard feels that the movie **Lost Horizon** resembles his life, because his life has been a paradise filled with music. Music has been a basic part of his life for thirty five years.

As Music Department head, Hoard is in charge of "providing music education and giving an aesthetic experience to the student body and the community." He gets extreme pleasure from watching students learn and grow in music.

THE NUTTY PROFESSOR

When Mrs. Woo was asked what movie title resembles her life she replied, "The producers haven't released the movie yet." Mrs. Woo, as Science Department head, is in charge of a very crucial department. The department is split into two halves. The first half fulfills the state requirement of Health and Safety. This half includes personal health, driver education and first aid. The other half is concerned with college preparation courses. In the future, the department is trying to develop a non-college preparation class which will be survey of science. Mrs. Woo has many positive hopes for her students, but her main objective is for the student to, "develop an appreciation for the beauty in the environment."

SCIENCE: Donna Potts, May Woo, Larry Kanow **Not Pictured:** Eugene Herrington, Fred Robles, Ray Ruegg, Sandy Schron, Jerry Weiss, John Wilde

BIRTH OF A NATION

Mr. Scott's experiences, everyday remind him of the movie, **Blackboard Jungle.** As Social Studies Department head, he tries to appeal to the students individual interests. With various classes, offered by the department, students have a variety of subject matter from which to choose. When asked, "What is the best aspect of your department?" Scott replied, "The best aspect of the department is the staff. The teachers always present the subject matter in an energetic way." His only concern for the students is that he wishes they would read more, instead of watching television. "I would like the students to discover the value and joy of reading."

SOCIAL STUDIES: First Row; Eric Scott, Richard McAllister **Second Row;** Dan Fernandez, Martin Anderson, Charles Cook, Peter Zotovich, Robert Blackburn, Robert Veylupek **Not Pictured:** Pat Ryan, Roger Bauer, Skip Herrington, Ben Molnar

THE OPTIMISTS

SPECIAL EDUCATION: First Row; Angela Cummings, Winne Dunlap, Rebecca Lucier, Linda Kelley, Maria Vairo **Second Row;** Esther Arredondo, Sonia Acuff, Stella Hernandez, Karen Zimbehl **Not Pictured:** Anthony Castelluccio, Jerome Rupple

The Special Education Department offers classes that are vital to many students. The responsibility of this department is to educate students who have some kind of learning disability.

Mrs. Becky Lucier heads the department, which includes a highly specialized staff and aides. They all work closely with both students and parents in order to provide suitable education to very "special" students.

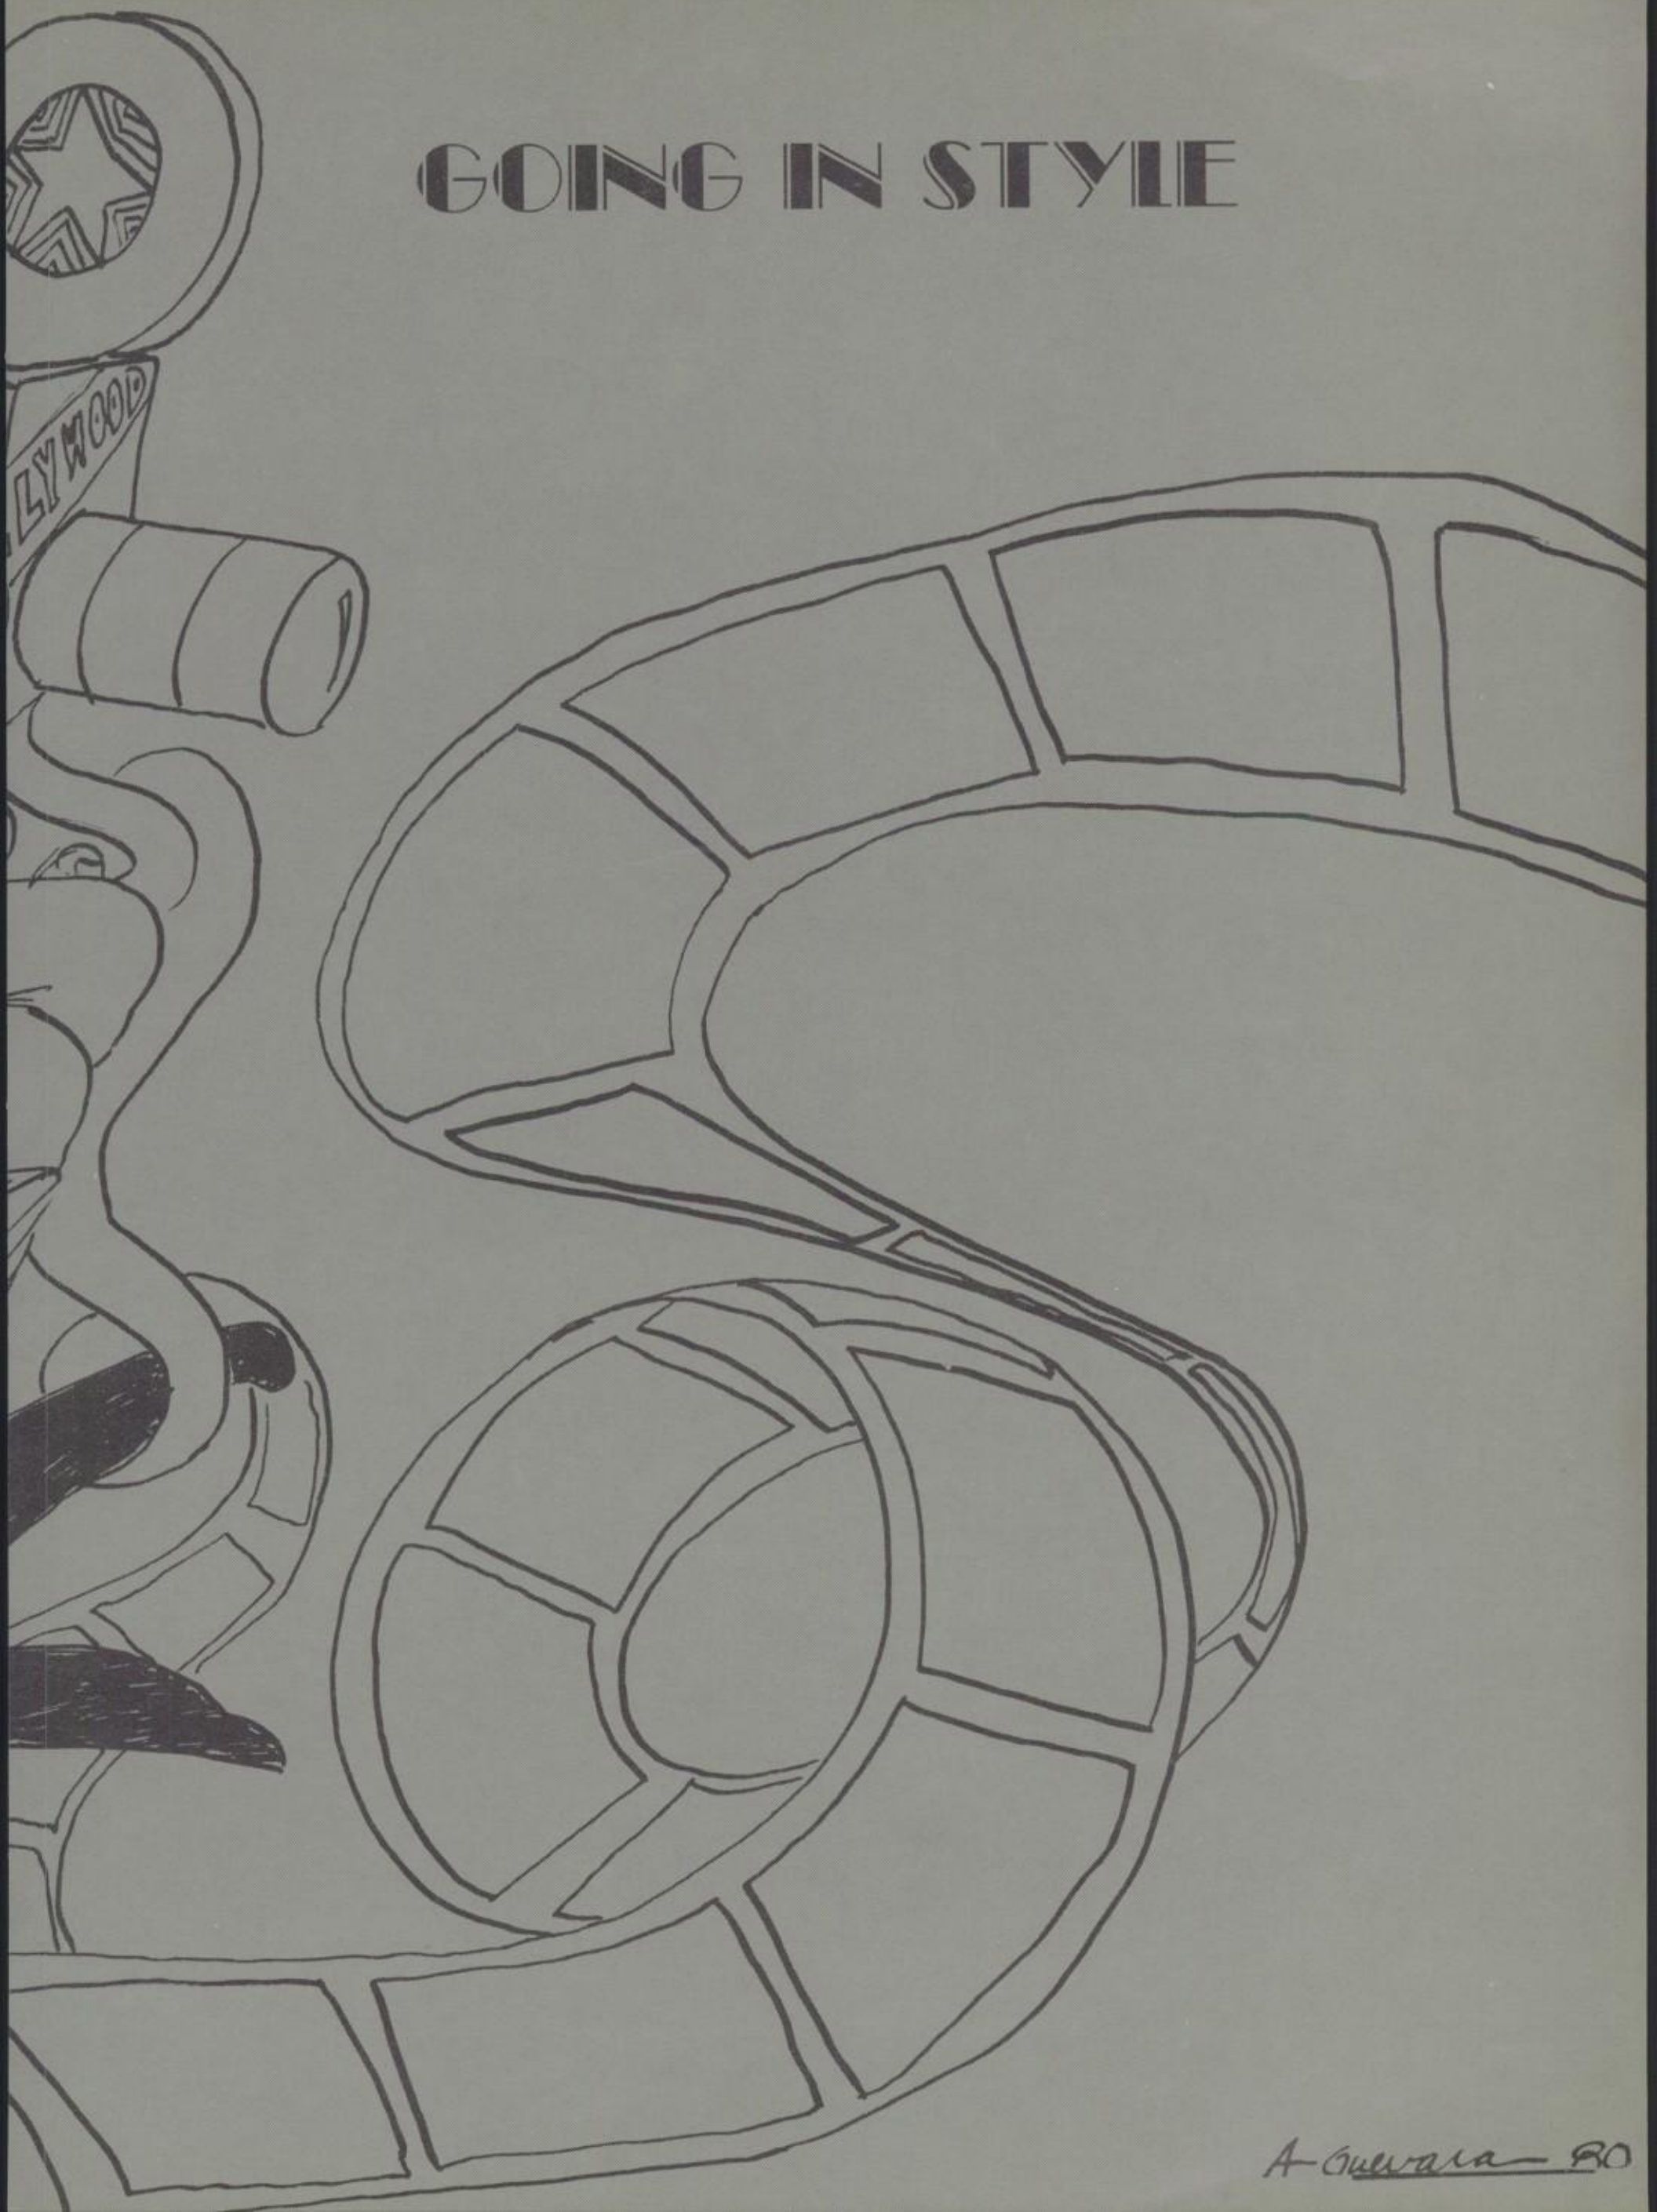
THE LAST TYCOON

WORK EXPERIENCE: First Row; Sayoko Uyeno, George Chalmers, Terry Castaneda **Second Row;** Laura Moore, Cindi Franz, Linda Martinez

This year San Gabriel welcomed a new Work Experience Director, Mr. George Chalmers. Mr. Chalmers has joined the cheerful staff to provide helpful information and guidance for students. These students are both job oriented and/or college bound. Students can go to Work Experience to use materials to help them on their way to a successful career. The office is equipped with thousands of career pamphlets and books. In addition to these materials on jobs, there are numerous college catalogues.

Chalmers and his staff supervise all work experience students and act as laisons with the community.

GOING IN STYLE



The Senior Class at San Gabriel has had a classy act evident from their first appearance here in September 1977. Reflecting upon their activities and achievements, many outstanding moments can be seen. There was that first day coming to this massive, unknown campus with butterflies in the stomach. But no matter what else happened, there were always special friends who shared both silly moments, long talks, and shared dreams of the future. There was that cute boy in World History, and that special first kiss as a now member of mature high school society. Cheering at games was the high point of the school week even when the team didn't always win. Hard times came with final exams, lab tests, term papers, and that devastating F. Moving on to later years was that big decision to get involved in student government, and it was fun. Talking on the phone became a definite favorite hobby, whether it was a telephone call from that special someone or talking to a member of the gang. There were practices for Spring Spectaclars and AFS Shows. On May 30, 1981 came that all important senior prom, now a special memory of a lovely evening at the Ambassador Hotel. Before that was the junior prom at the Queen Mary. With this last year came frequent Ultimate Frisbee games. There were always weekend skiing trips with friends in winter and summertime tennis games. Each graduate has many more of these treasured memories, from his or her brief stay at San Gabriel, that will last for a lifetime. In all, from freshman antics to senior doughnut runs, the 1981 graduating class is . . .

Los Renombrados

The highest TRIBUTE a San Gabriel High School senior can achieve is to be selected a member of Los Renombrados, The Renowned. The judges are the administration, the faculty and both semesters of the senior class council. Each nominee must have a grade point average of at least 3.0 and good citizenship. They are chosen on the basis of leadership, character, and service. All of the recipients' hard work and dedication have made them well-deserving of this honor.

Tribute

Seems Like Old Times

Mikey Matador is back once again on the San Gabriel High Studio lot. He seems to think that seniors today are still the same as they were when he attended San Gabriel. Walking through the campus, he overheard several seniors mentioning plans to take a long lunch through fourth period. Some seniors with future college plans were seen waiting in the counselor's office for help on yet another scholarship application. Mikey saw others who were sitting on senior court instead of inside their fifth period classroom. Upon speaking with some of these students, he came to the conclusion that senioritis is a disease from which no generation is immune. "In all," he said, "it really Seems Like Old Times."

Exceptional high school juniors, representing high schools from all over California, commuted to the California University of Sacramento where for one week they experienced politics in action. The American Legion and it's Auxiliary sponsor this program whose purpose is to teach young leaders more about priceless American heritage and to help awaken a keen appreciation of the privileges and individual responsibilities of American citizenship.

This learning process is achieved through setting up and operating cities, countries and a mythical fifty one states. Running for office, enacting city and state ordinances, preparing party platforms and passing legislation are part of the activities.

The goal of Boys' and Girls' state is not to see how high one can climb on the political ladder, but rather to prepare each young adult for that day after tomorrow, when he or she will be casting a vote and assuming the full responsibilities of citizenship.

The first semester Senior Class Council's major responsibility was planing the Grad-Night Party in Palm Springs. They also assumed the responsibility of selecting the announcement design. The council measured the seniors for cap and gowns, and sold cokes to raise maney to help coordinate various activities.

SENIOR CLASS COUNCIL-SEMESTER I: Harriet Bogris, Raymond Montalvo, Kim Trigon, Frank Misiewicz, Lori Harris, Randy Rodelo, Laura Twining

Going In Style

The second semester Senior Class Council's handled the activities at the end of the school year. They were in charge of planning and executing the Senior Luncheon, which was held at the Huntington Sheraton Hotel. At this event, outstanding Seniors were recognized with various scholarships and awards. The council also was responsible for the Baccalaureate service and the execution of the Grad-Night party.

SENIOR CLASS COUNCIL-SEMESTER II: FIRST ROW; Janice Oura, Shelly Rheinhardt, Bob McKenzie, Kelly Uradomo, Karen Sinclair, Diane Kemp SECOND ROW; Janice Uyeki, Jeanne Cooper, Harriet Bogris

The Class Of '82
They're Hot!

Semester I

The first semester Junior Class Council got right to work planning the 1981 Junior - Senior Prom. With President Michele Jack, Vice President Dianne Bailey, and other dedicated members, Jane Bell, Julie DeRuise, Lisa Hull, Maryanne Arnett, and Amado Amores this council planned the theme, favors, decorations, and the band. Also among this council's activities were a carmel apple sale at Homecoming and the selling of spirit pins.

Semester II

This group of juniors were responsible for carrying out the plans for the 1981 Junior-Senior Prom at the Ambassador Hotel. The members were Vincent Kondo, Belle Woo, Reena Villegas, Mike Scebbi, Liz Lopez, Kathy Mercado, Annette Mueller, and Tammy Rehurek with President Linda Arakaki and Vice President Cindy Arakaki. Thanks to these devoted, hardworking people the prom was a great success.

THE CHAMP

In 1979 Ryan Oba won the National Junior Judo Championship in Kent, Washington. "Although Judo is considered a major sport in other countries," stated Oba, "It is still a relatively small sport here." When asked the difference between Judo and Karate, Oba replied, "Judo is more of a wrestling sport and Karate is more of a boxing sport." Consequently, Oba is presently practicing Judo by wrestling for San Gabriel High School. Oba's ultimate goal is to be the second American to win a gold medal in the Olympics.

The Class Of '83
They'll Blow You Away

Semester I

First Semester Sophomore Class Council did a terrific job in building their class treasury. With President Maria Alderete, and Vice President, Julie Kakuda the council engaged in such fund raisers as coke sales, and spirit pin sales. Other members on the council were Brad Jackman and John Bradley.

Semester II

Second Semester Sophomore Class Council picked up the work of the first council with much enthusiasm. They continued the sale of coke at basketball games and designed and sold the class of '83 button. Members were Susan Hokans, Sharon peters, Karen Swanson, and John Bradley, with President Cindy Benavidez.

SOPHOMORE CLASS COUNCIL: First Row; John Bradley, Cindy Benavidez, Maria Alderete, Brad jackman, Julie Kakuda Second Row; Susan Hokans, Sharon Peters, Karen Swanson.

"SGHS STUDENT FLIES, BUT NOT OVER THE CUKOOS NEST"

Gabriel Valenzuela has been training for over six months for the Air Force. Although only a sophomore, age fifteen, he has already flown a p-3 Orial, (the United States most used anti-submarine warfare plane). It's a four engine, turbo-prop-sea plane. Valenzuela flies out of Point Magu, California.

Valenzuela is in the Civil Air Patrol, an auxilary training center. This patrol meets every Thursday evening at the South El Monte Army Reserve Center. It includes men and women from twelve years of age.

Their uniforms are similar to the regular Air Force, and they perform gun shows and air shows, just as the Air Force. The thing they enjoy doing the most is taking care of crowd control.

Valenzuela is very determined, and plans to spend the better part of his life in the Air Force.

DELIVERANCE

Throughout the summers of 1979 and 1980, junior Ronalyn Walker rafted down some of America's deepest gourges in the Salmon River in Idaho. With her family and friends, Walker started the trip by flying into the Salmon River Canyon. From there, they continued down the river for five days, stopping for meals and sleep. Walker also stopped to explore, and was especially fascinated by the huge walls of Indian writings.

Although Walker has no immediate plans to return, she would not hesitate to do it again.

FRESHMAN CLASS COUNCIL: First Row; Karen Anders, Dara Bass, Cathy Lee, John Jurado, Allison Lindbeck Second Row: John Lawler, Peggy Bradley, Eric Kirchhoff

Semester I

The members of first semester Freshman Class Council got off to a good start in their first year at San Gabriel High School. President Karen Anders and Vice President Cathy Lee, along with Peggy Bradley, John Jurado, and Eric Kirchhoff raised money by selling mistletoe at Christmas. They also sold San Gabriel Matador spirit pins. In addition to raising money, the Freshman Class Council designed the "Class of'84" t-shirts.

Semester II

Second semester Freshman Class Council continued raising money for the freshman class. President Dara Bass, along with John Jurado, Peggy Bradley, John Lawler and Allison Lindbeck had a booth at the Cinco de Mayo fair and sold Class of '84 buttons. They also had a St. Patrick's Day fund raiser. The money raised by these successful fund raisers will be used by the Class of '84 in years to come.

NATIONAL VELVET

In April of 1980, Equestrian, Tracy Fellows, won the Junior Jumpers competition in Covina, California.

After 6 years of hard training, Tracy and her quarter horse, Spook, competed in the Junior Jumpers. This consists of jumping over heights that range from 4' 3" to 5' with contestants age 17 and under.

Although it's very unusual for a quarter horse to compete in an event such as this, it didn't hinder Tracy. She and her horse went on to win first place. Not only did she win a trophy and a blue ribbon, but also the satisfaction of knowing she had made one of her dreams come true.

At the moment Tracy has no ambition of going to the Olympics, but insists on staying with horses as long as she can.

KING FU

Fifteen year old Ronnie Cervantes won first place in a free style karate competition in Taiwan during a two week tour of three East Asian countries. Ronnie has been taking karate for the past year and has achieved a second degree green belt. He attends Shoo Karate Dojo of San Gabriel. "The tour is an annual activity of the school," explains Ronnie. "We went to Taiwan, Korea and Japan. It was a great learning experience."

THAT'S ENTERTAINMENT

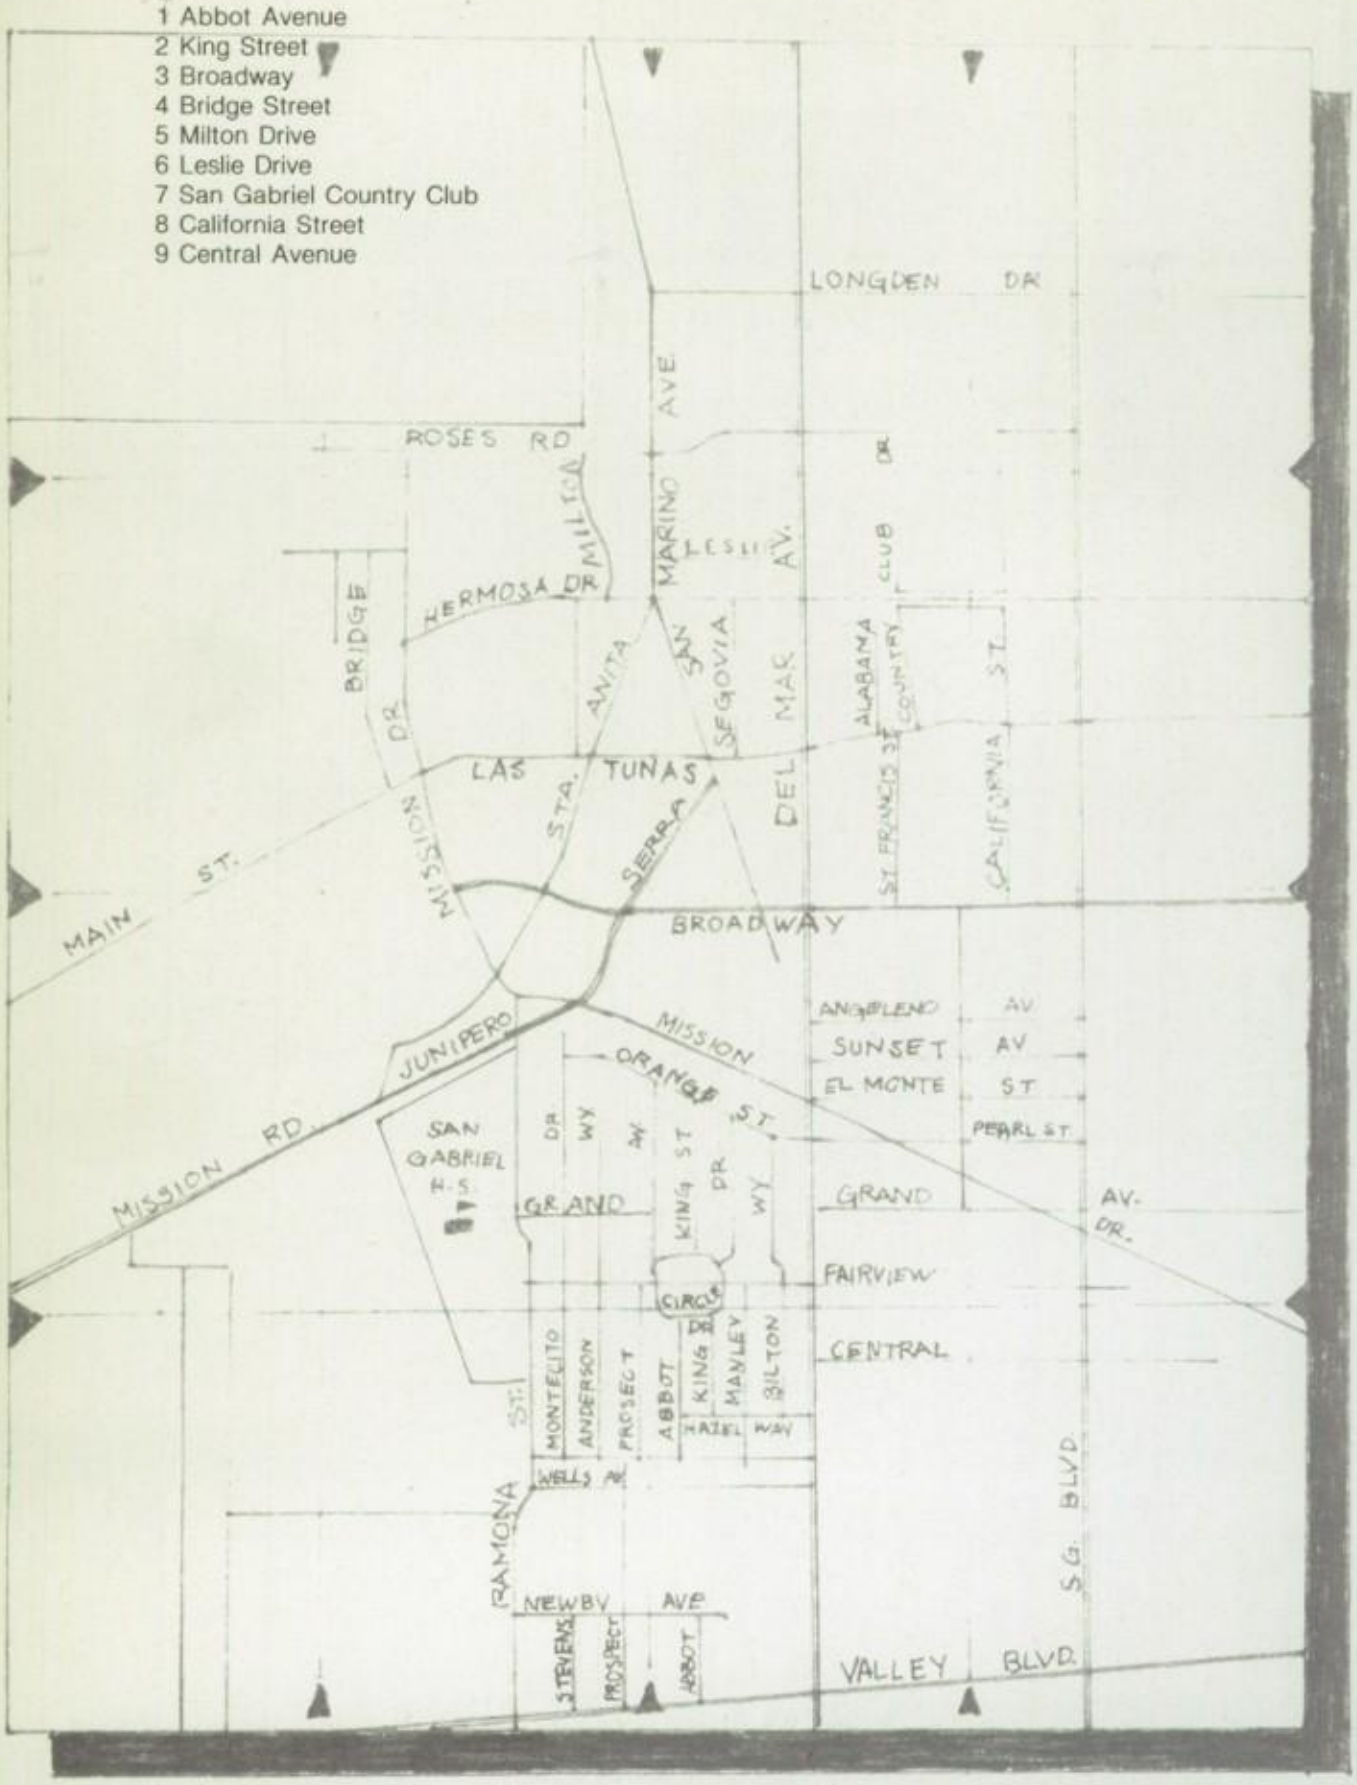
5 Milton Drive
6 Leslie Drive
7 San Gabriel Country Club
8 California Street
9 Central Avenue



Strolling through the lot that surrounds the San Gabriel High Studio is for movie fans a trip down memory lane. At various spots within this "city" are many famous film locations. So many, in fact, that the studio's own publication, the EL CAMINO REAL, has decided to publish its first annual Run of the Stars. This is a 20 minute scenic tour, by bus which the studio hopes will reacquaint tourists with the rich Hollywood heritage of the past.

Stop one on the tour is Bud Abbot Street, so named because this famous star once lived here. It was at this location, during a dinner party, that he first met Lou Costello who was later to become his famous partner in comedy.

El Camino Real

Located one street directly East is still the studio's set used in the filming of the King and I. It was at this well-known location that Yul Brenner first shaved his head. This was later to become his trade-mark.

Broadway has been the setting of many movies and is well known in the theatre world. Nearby can be found the world famous San Gabriel Civic Auditorium, home of the fourth largest pipe organ on the West Coast. This famous instrument was used to provide background music for many a silent film.

At location four can be found the authentic WW II set used in filming A Bridge Too Far.

Milton Drive is the fifth stop. This street was so named for everyone's own beloved Uncle Miltie. It was on this road that the famous star on the way to the studio once had his car breakdown.

Leslie Drive was so named to honor the late Leslie Howard. it was in this studio that the stars of the old classic Gone With the Wind spent much of their time. Known for his witty charm, Mr. Howard became a favorite of local celebrity watchers.

The San Gabriel Country Club started out as an extension of the studio's own commissary and eventually became so popular that it was opened to the public on a limited basis. The lovely grounds of the Country Club were used in many films including the Blackboard Jungle.

One of the studio's smashing hits of the 1970's, Neil Simon's California Suite, was named for our own California Street.

Central casting was once located on this street before the studio expanded and moved to its present location. It was here that many stars of the silverscreen, including our own world famous Mikey Matador, got their first job in the film industry.

The San Gabriel High Studio hopes that this tour will be profitable as well as entertaining.

Executive Board

The San Gabriel High Executive Board is comprised of several elected officers and appointed chairpersons who meet daily, third period. A few of the tasks that face the board are running all student body functions, monitoring the budget and approving all clubs activities. The advisor to the Executive Board is Dr. Anderson.

The accomplishments for the fall semester board were highly successful student body functions such as Homecoming, various dances and assemblies, pep rallies, the Christmas project and powder puff football. Additional activities were sales of orange carnations, candy canes and candy kisses.

The second semester Executive Board, in addition to their basic duties, accomplished the profitable candy sale. Dances, pep rallies, assemblies, Cinco de Mayo, Donkey basketball, the Hollywood Shorties baseball game, bands at lunch, and class competitions were all created and run by the very act ve board.

Student Congress

Student Congress forms an active link between the students and the Administration. One student is elected from every second period class to serve on the Congress. These students serve for one semester, attending meetings every two weeks.

The student body Vice President serves as the presiding officer for meetings. Suggestions and recomendations for campus activities are taken back to second period classes.

The Christmas Project, money and food for the needy, was conducted by the Congress. It was the most successful project in the history of the school. The money collected was $1800.

Sock Hop

The seventeenth of October found the actors and actresses on the San Gabriel High Studio lot dressed up to film SOCK HOP, a movie set in the 1950's era. In order to promote support for the movie, studio officials organized a pep rally with various actors and actresses called in to perform key scenes from the film. One group, who performed, was the 1981 Pep Squad. This group was sent to a U.S.A. Spirit Camp for rigorious training during the summer.

That same evening the actors and actresses showed up at the San Gabriel High School football game still attired in their movie wardrobes. The parents of the players, who had shown much support toward SGHS, were honored at the game. As the long and busy day drew to a close, a reception was held at SGHS gym immediately following the football game. Due to the nature of the film, no shoes were allowed on the dance floor.

THE WILD BUNCH

The show would not have gone on without the Stage Crew. They built and designed sets and operated the theatre for all drama, music and dance productions and assemblies. They ran and coordinated lighting, audio and technical aspects of all events. The crew found time, while participating in these activities, to engage in their traditional pastime of girl watching.

THE GREATEST SHOW ON EARTH

The San Gabriel Assemblies committee was one that was very helpful to the school. The club's main purpose was to plan and help put on assemblies for the school. Some of the assemblies planned by this club were the AFS Show, the Christmas assembly, the political assembly and the Hard Times assembly.

A STAR IS BORN

Thespians, an international honor society composed of outstanding drama students, held its 'Shakespeare initiation' in the Spring semester. New members dressed as characters from Shakespeare's plays, and recited ten lines each. The plays presented by this group were among the highlights of student activities. Discussions of theatre, viewing plays and films comprise the other experiences of the Thespians.

FAME

Creative Artists is a committee for students interested in the theatrical arts. The purpose of this club is to show the talents of the club members. To achieve this purpose the club put on variety shows for the school and also appeared for various community organizations.

New style is what the S.G. marching units worked toward this year! As in previous years they all performed in football halftimes, parades and marching on Friday mornings. But this year the industrious band tackled a new project. They provided the halftime entertainment in many of the girls and boys varsity basketball games. The band also attended several field show competitions.

The majorettes created a new style in new performance costumes. This flashy foursome did two baton routines and used lighted batons to add a new twist. They competed in state competitions.

Tall Flag and Banner too had a new style. One major change was this year the two groups were combined. Tall flag routines consisted of new twirls and moves. For a new look, hats and props were incorporated in a clever Banner routine. Tall Flag went to several competitions including State.

Practice began early for the S.G. Drill Team, as they conducted their own camp this summer. The members practiced six hours a day for five days. This camp was the first of its type for SGHS. Their routines, which included more dance moves, were performed at State and Miss Drill Team U.S.A. Competitions.

Who were those spirited girls cheering in the stands at all the games? Well, of course they were San Gabriel's Pep Commission! They stood in the bleachers helping to promote spirit along with Pep Squad. Their job was to make signs for games and also signs to inform fellow students where and when games were to be played.

Campus activity was at an all time high the week of November 3rd through the 8th. The time for Homecoming 1981 had arrived! The theme, Let the Sunshine In, was chosen to illustrate SGHS's beginning of a new quarter century of existence.

The sunshine was bright for all of the week's activities, sponsored by Executive Board to promote spirit. These activities included a "licorice eating" contest won by the seniors, who also captured the tug-of-war championship. The eight person junior team pushed a VW Bug 100 yards, faster than other team, to win the competition.

Sophomores won the class competition in the fund raising "penny jar collections." They raised a total of $52.91.

Darryl Bruchet captured the title of "Mr. Legs 1981," as he garnered votes from all classes in school.

Friday saw students gather for a special pep rally and parade. This enthusiastic event was followed by a campus fair. Organizations sponsored booths, which sold everything from taquitos to confetti bags.

Homecoming 1981 concluded on Saturday with a dance, which followed a hard fought football game against Arcadia. A record crowd of 800 attended the post game gala.

THE RESCUERS

Stretcher Crew leaped into action with every three rings of the bell. This team, at the sound of the emergency signal, dashed into the Health Office, received instructions from the nurse and went to the rescue. These students, after reaching the sick or injured, transported them to the Health Office or to the waiting ambulance. The prompt response of this crew eliminated much pain and suffering. Three bells meant 'help was on the way'.

STRETCHER CREW: FIRST ROW; Vicki Landin, Anita Estrada, David Graves, Janice Oura. SECOND ROW; Steve Perry, Camille Lujan, Craig Doolittle. THIRD ROW; Kirk Graves, Stewart Berge, Doug Fawver, William Jenks

FRIENDS

Courtesy Committee provided visitors of the school with friendly welcomes and gave them a sense of security with detailed direction to various locations on campus. Members were on duty at Back to School Night, Open House, all drama productions and musical events. Ushering and directing were two of their responsibilities. Another activity of Courtesy Committee was the coordinating of the fifty/fifty raffle, a tradition at the football games.

COURTESY COMMITTEE: FIRST ROW; Lourdes Chavez, Teresa Mendez, Brenda Rosa, Tammy Hoos, Shannon Devery. MORE AMERICAN GRAFFITI

Art Staff's major responsibilities were the making of signs to promote school interest and enthusiasm. Large and colorful banners and posters decorated the campus all year. These talented artists also decorated the dances and provided the souvenir picture backdrops. Much of the spirit of the year was due to the creative efforts of the resident artists.

GIRLS LEAGUE: FIRST ROW; Jenny Bravo, Sue Couchman, Margarita Perez SECOND ROW; Rosa Ortiz, Michele Altobelli, Renee Orton, Kathy Heckman THIRD ROW; Milinda Abbott, Dianne Baily

LITTLE WOMEN

Girls League is primarily a service club. Their purpose was to earn at least $100 to present a senior scholarship. They also sponsored "SENIOR OF THE MONTH" elections.

M*A*S*H

The Red Cross Club is a service club sponsored by the National Red Cross Association. Their activities for the community included presenting Easter eggs to handicapped children at Lincoln School and hospital visits.

KRAMER vs. KRAMER

Debate Society, an organization to promote speech activity, helped form better public relations with their activities in the community. Student speakers presented a Mock Court, sponsored by the LA County Bar Association, at the LA County Courthouse. Other activities included a Rotary Luncheon program, pre-school puppet shows and speech competition for the Lion's Club, Native Sons and Daughters of the Golden West, Optimist Club and Rotary Club. Many members of the society earned membership in National Forensics League, a national speech honorary.

THE SOUND OF MUSIC

Very active and dedicated members were involved in San Gabriel High School's singing groups this year. The performance groups consisted of the Vocal Band, Acappella Choir, Los Cantadores and Treble Chorus. They sang at the Biltmore Hotel, the Japanese Culture Center, the Broadway Plaza, the Arco Plaza, the Bonaventure Hotel, in addition to their annual Christmas and Spring concerts. All groups sold calendars, candles and promoted their singing telegram service in order to raise money for their financial needs. In the spring, Acappella Choir and Vocal Band gave outstanding performances in Sacramento, Lake Tahoe and Yosemite.

Anxious fans eagerly came to witness the shooting of San Gabriel High Studio's latest film, **Freaky Friday.** The story's plot involved two, all girl "Powder Puff" football teams and an all male cheerleading squad. To capture a realistic mood, the film was shot on the studio's lower field. The performers involved spent two, long weeks in exhaustive training, and received many bumps, bruises aches and pains as a result. The two teams were each composed of twenty five members. One team was chosen from among the members of the senior class and the other was made up of juniors.

As the game got under way, it became apparent that the long hours each team put in was well worth it. It was a very exciting game, in which players were constantly moving up and down the field. In the end, however, each team was frustrated in its touchdown attempts. The game ended with a final score of 0-0.

Extras brought into act as spectators were very enthusiatic and loudly rooted, along with the skilled cheerleaders down on the field, for their teams. All in all, the day's filming went well; it was a TAKE!

BOYS'-TOWN

Key club drew its membership from the entire student body. It's basically a service organization with local to international levels. Nationally, Key Club is the largest club of it's kind with 3,400 clubs and more than 95,000 members. Various activities such as Kiwanis functions, drives, and car washes, were the club favorites. Conventions were attended in San Jose and New Orleans.

Doing service throughout the community kept Interact busy. This club, sponsored by the Rotary club, gave Christmas baskets and also helped with a 10K. run as a fund raiser for the hospital. Interact played competitive games with other service clubs.

IF IT'S TUESDAY IT'S BELGIUM

A warm and friendly welcome from the English as a Second Language Club awaited all foreign students entering SGHS. This club was open to all students other than Spanish speaking, who were learning English as a second language. Students with Korean, Cantanese, Mandarin, Vietnamese, Arabic, and Swahili Languages added an international touch to this group.

This club's main responsibility was to provide a supportive atmosphere for new students from foreign countries.

THE WAY WE WERE

Alumni was a one semester committee whose job was to plan and organize Homecoming. The theme was "Let the Sunshine In". The sun represented growth which was chosen to express the feeling toward a new beginning, the start of the next twenty five years. Due to this committee, Homecoming included a horse drawn carriage, in which Queen Martha Hinojos rode. Other activities the committee planned were the parade and this year's first stag Homecoming Dance. This drew a record crowd. Homecoming was a success thanks to chairperson Janice Oura and her hard working committee.

GOOD EARTH

Who's purpose is to create a visually pleasing enviroment? It's the San Gabriel Art Club consisting of seventy members interested in art and in improving the living space around them. Their fund raisers this year have been bake sales and car washes. In addition, they sold decorated valentine messages, which they hope will become an annual event.

One of their outstanding goals of the year was to build a storage closet in SA-6 upon which a mural was painted. Being a new club, the members are very enthusiastic, and they plan many future projects. These include painting large wall murals, working on Rose Parade floats and painting signs for the business community.

In a festive spirit typical of the holiday season, San Gabriel High Studio officials once again sponsored the annual Christmas Ball on December 21, 1979. The formal affair was attended by 200 couples affiliated with the studio. As was expected, Santa Claus dropped in to crown the King and Queen of the spectacular, **WINTER WONDERLAND**. All were said to have enjoyed the dance and studio officials were pleased with the success.

THE TALE OF TWO CITIES

One club that was very active on campus this year was the Mexican American Student Organization. All students participated in its many activities. The members of M.A.S.O. enjoyed taking trips to local amusement parks, fairs, and plays.

The main purpose of M.A.S.O. is to raise funds for scholarships. These scholarships were awarded to students of any minority background.

M.A.S.O. Court

M.A.S.O. held its annual Brotherhood contest in December. This was a contest that involved the four high schools in the district. Students competed by selling tickets for ten cents each. The students represented SGHS at the Coronation Ball. The purpose of the fund raiser was to raise money for scholarships.

American Field Service Committee helped promote the A F S show, **Inherit the Wind.** The show raised money to send students from San Gabriel to foreign countries, and to bring foreign exchange student to our campus. The show was successful and raised $1000.

"Inherit the Wind" was this year's AFS Show. It was about the "Scopes Monkey Trials" in 1925. The two lead roles, Drummond and Brady, were very well portrayed by Chris Spitler and Dave Mason, respectively. Cindy Wasser, the overall director, also did an excellent job. This play was performed for three nights along with an afternoon sneak preview.

My AFS-year at San Gabriel High School has come to an end. It is time to say good-bye. I look back with thankfulness and my mind is filled with lots of good memories—memories I never will forget. This year has been the most valuable one in my life. I have experienced another way of living, met a lot of people and made many new friends. I would like to thank you for helping hands and warm smiles through the year. I really appreciated your kindness which I always will remember. If you ever come to Norway, please come and visit me in Herman Wildenveysgate 74,3000 Drammen.

A good-bye is not an ending. Even if we go different ways, friends will meet again. A farewell is necessary before that can happen, but good friends will always find their way together. it can be after a couple of years or a lifetime, but we will meet again,—some day.

The cowboys and cowgirls all had a fun time out there on the dance floor. Once the cowboy court was announced with Cowboy King Peter Garcia and his wranglers Danny Banks, Ralph Richards, Frank Misiewicz, John Stephens, and John Sweeney all danced with their favorite gals. For one night, each student felt like an Urban Cowboy.

Fighting bi-weekly deadlines and the wrath of angry readers, the reporters of the Matador fought daily for journalistic excellence. They served to educate the students about school activities and news. This year's staff added a new dimension to the paper. The staff made changes in the mast head and design of the paper. This gave a "new look" for the beginning of a second quarter of a century at S.G.H.S.

THE CANDIDATE

And the winner is . . . this year's Elections Committee which ran school elections, including anything from Mr. Legs Contest to Homecoming and presidential elections. All votes were by ballot and I.D.s were required and checked. In major elections, Pep Commission and dance courts, Dr. Anderson and Karen Sinclair confidentially counted the votes.

THE CROWD

Who wants to get the refreshments? Who will get the flowers? When should we listen to bands? These are just a few questions that were frequently heard in an Activities Committee meeting. This year's activity staff successfully planned and carried out the Christmas Ball, Western Dance, 50's Dance and four stag dances. Other activities included a 50's Dress Up Day, Carnation sales and Shorties Softball. It was a busy, productive year.

LITTLE DARLINGS

Amor Ameechi and Kahana Kai are two active service clubs on campus, which are affiliated with the Y.M.C.A. in Alhambra. Founders of these two clubs selected the names of the clubs. Amor Ameechi in latin means loving friends and Kahana Kai in Hawaiian means leaders of the century. These Tri-Hi-Y clubs are required to have one service, educational, fundraiser, social and religious activity each once a month.

One of the highlights Amor Ameechi had was an educational meeting in which the A.F.S. student, Beate Bortkorb, a member of the club, gave a presentation of her country, Norway. Other activities included the Halloween event in which the club dressed in costumes and went from door to door. They asked for canned goods, which were later given to a home for abused children.

Some highlights of Kahana Kai included the selling of Ribbons. Each color of ribbon stood for a different meaning, and these were sent to friends on campus. This activity served as an excellent fundraiser. Other activities were Christmas caroling, where every Tri-Hi-Y club in the Alhambra School District went caroling in Alhambra, and then had pizza at Pizza Pub. Kahana Kai served at a luncheon for the Golden Age Club.

Sweethearts' Ball

"Sweet and Simple" was the theme of this year's sweethearts' Ball. The princesses were nominated by their Tri-Hi-Y clubs. After being interviewed, six girls were selected to represent the three high schools. Caren Kilmer, and Angie Lindbeck were chosen to represent San Gabriel High. Beverly Smith from Alhambra was crowned Queen for the evening. Couples attending spent an enjoyable evening together in an atmosphere of just A Little Romance.

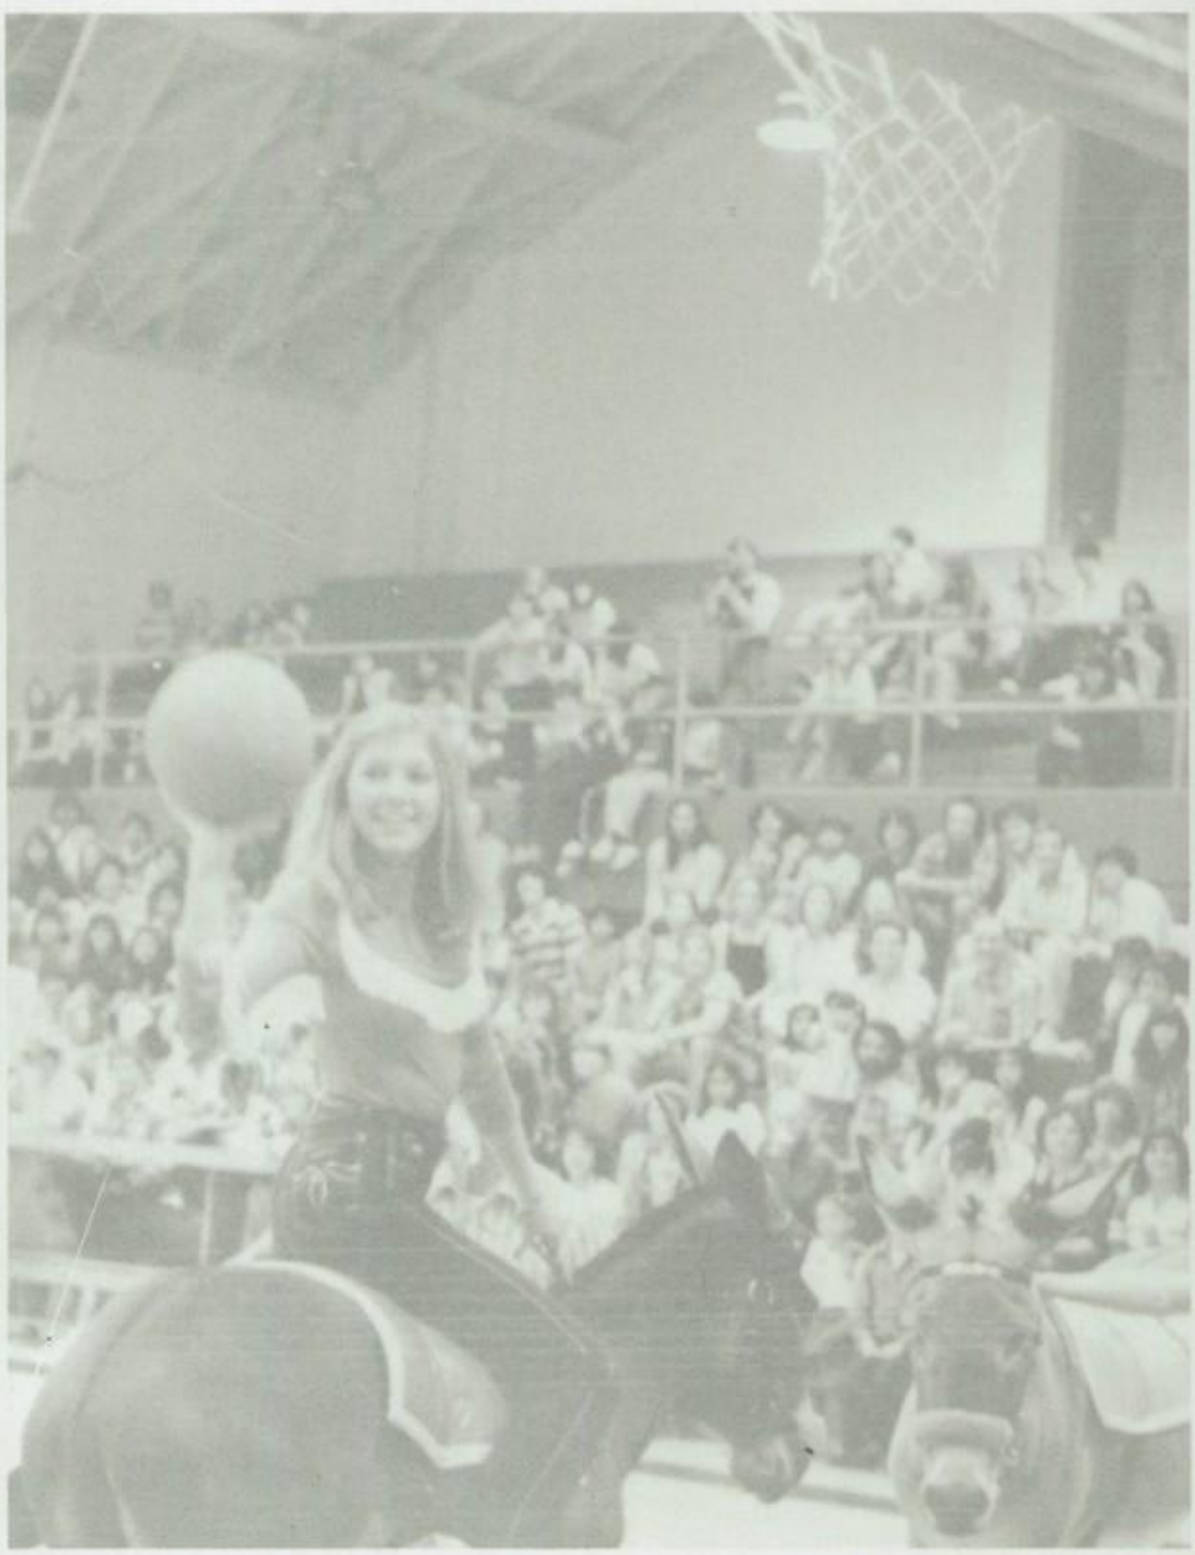
Francis Goes To School



The twentieth annual Donkey Basketball game was held on February 18, with the largest crowd in five years. The juniors battled the seniors in hair raising competition. The senior team consisted of such brave athletes as Jeff Barlett, Darryl Bruchet, Andrew Burger, Debbie Custer, Craig Doolittle, April Hom, Lisa Kiefer, Caren Kilmer, Steve Longo, Steve Saporito, and Kelly Uradomo. The junior team included Victor Del Palacio, Dave Dicken, Jim Duran, Tracy Fellows, Cindy Gomez, Allison Hazeltine, Leslie Page, Aristides Ruiz, Evelyn Snell and David Terrazas. In spite of the extreme difficulty of handling such wild beasts, the seniors pulled ahead during the first half with a score of 28-14. Unfortunately the seniors lost their lead; the juniors were victorious with Leslie Page scoring the winning 2 points. The final score was 56 to 54. In the end, not only did the competitors have the wildest ride of their lives on a donkey, but the donkeys never encountered such rowdy and determined bodies on their backs before.

The Spring Spectacular, "A Dream Worth Playing," marked the first time in the history of the district that an original, full length musical had been presented at a local high school. It followed San Gabriel High School's tradition of presenting musical productions that have exceeded general high school expectations. This innovative project was a collaboration between communications teacher, Mr. B.K. Holthaus, who wrote the play, and Senior, Chris Spitler, who wrote the music and lyrics.

Assistant Director, Michele Basta and Manuscript Director Teri Binstein presented the play, which followed the life of a high school student, Daniel Sinclair. He lives with the dream of one day becoming a professional musician. He faces parents who want him to consider a more practical direction for his life. In spite of set backs and disappointments, he keeps trying. It is a story of hope, determination and love and was presented with humor and compassion. "A Dream Worth Playing" was a play worth seeing.

Varsity Volleyball, coached by Mr. Kanow, had a spectacular 1981 year. At the beginning of the season, they placed second in the South Pasadena Tournament, in which San Gabriel has never placed before. Taking fourth place in the Los Amigos Tournament, the team achieved their highest award in this tournament. Placing first in the Pacific League with a successful 9-1 season, the girls continued their play through the third round of the CIF playoffs. Senior, Marina Gomez, was named MVP of the Pacific League, while Martha Hinojos and Laura Rice, seniors, made first team All League. Junior, Allison Hazeltine made second team All League and sophomore, Annette Berardo was chosen for Honorable Mention.

Coach Bill O'Neill, coaching Girls' Varsity Tennis for the first year, created a highly motivated team. With only two returning letterman, the young and inexperienced varsity team played with much determination and spirit. The team was very successful with six wins and one loss in pre season play.

The young team faced the power of Muir and consistence of Alhambra. They were defeated by those tough teams. They were victorious over eight other schools.

The Junior Varsity team had a successful season. Mrs. Fran Traylor, in her second year of coaching, inspired the young team to an outstanding effort. The team was fortunate enough to have some frisky freshmen, strong sophomores and jubilant juniors who sparked the team.

THE GREAT RACE

Varsity Cross Country had a fine 1981 season, placing third in the Pacific League. Coach Ritter led his team through the season with a 3-2 league record. This sixteen member team had determination and pride in their running. Although cross country running is regarded as an individual sport, the scores record the team effort.

The 1981 Varsity Basketball Team was not productive as far as a win lose record, but it was productive for building character and determination. Against all odds, nine young men stuck out the season. They were winners in spirit, and that is what counts—not a win lose record. They finished the season with determination and perserverance, and won a victory.

The San Gabriel Boys' J.V. Basketball team showed a great deal of character this year. They lost several close games, early in the season, due to inexperience. However, rather than get discouraged, they learned to practice harder in order to overcome defeat. In league, they showed the ability to defeat opponents of greater size and team depth.

The 1980-81 season got off to a shaky start. Plagued by injuries to two starters and one reserve guard, the Sophomore Basketball Team struggled for rebounds on offense and defense. With great disappointment, the Matadors dropped three games, in a row, by a cumulative total of only five points (one in overtime). With a full squad, the team rallied to beat both Arcadia and Alhambra. Measured by improvement and the three close games, the season must be considered a successful one.

The Freshman Basketball Team started out slowly, but improved as the season went on. They finished high in the standings. The team was led by captain and floor general Ted Nugid, along with leading scorer Fidel Fortich. On defense and rebounding, the team was lead by Eric Kirchoff and Carlos Escobedo. Hustle and desire by all twelve members proved to be the key for a successful season.

Varsity Basketball played an exciting season. When sitting in the stands, the fans knew that these San Gabriel girls were the best. The team won the games for their school, with the coaching of Bob Bria, and hard work and enthusiasm. Each member on the team had unique qualities like offense, defense, ballhandling, pressure and freethrows. They played some good teams, but usually came out the winner. The team did well this season.

The Varsity Soccer team came from relative obscurity to compete for the championship in the Pacific League. At the start of the season, this team was 2-8. Through hard work, discipline and a great deal of desire, the team did very well in the final league standings.

This year's team personified the "underdog" ideals of soccer; they won in spite of the odds against them. Graduating seniors Ken Altenburger, Juan Bustamante, Peter Garcia, Ubaldo Gonzalez, Victor Gutierrez, Juan Ramos, and Sal Salcedo (Captain) were the foundation of the team.

Coached by Teresa Rojas, the Girls' Varsity Softball team had a great season. The team success was played in the field. Leslie Page as pitcher contributed a lot to the winning season. Martha Hinojos, Christine Mendez and Lori Talamantes were the key power hitters who came through in a pressured win. The girls really enjoyed playing together and worked well as a team.

The Girls' JV Softball team started the season on a winning note, they won their first five games. In their first league game, they defeated Muir by a score of 21-3. The JV team a young team with ten freshmen. They had three returning lettermen Olga Gomez, centerfield, Lori Johnson, thrid base, and Diane Brown, first base. Penny Rudolph, a freshman pitcher, accounted for all of the first five wins; Darlene Kyle pitched well in relief. The JV's were a hard hitting team led by Denise Rodelo, second base, Michelle Orabona, left field and Linda Sanchez, a good defensive shortstop. Rounding out the starting line up were Isabel Fregozo in right field and Alice Camacho at catcher. The JV's also had a strong bench consisting of Ellen Gonzalez, Barbara Farley, Rhonda Guzman, Tina Ramirez, Joanne Perez and Kathy Palmer.

The Competition

The Girls" Varsity Basketball Team entered the C.I.F. play-off games as Pacific League Champions. Their first three games were incredible victories for San Gabriel, as they scored 96-40 against Lompoc, 89-37 against Northview, and 70-51 against Fountain Valley. The semi-finals found the third ranked Lady Matadors playing second ranked Buena at Ventura Junior College. The game was low scoring, as each team played very well defensively, ending in a 35-28 victory for the Matadors. This win took San Gabriel to the 4A division title championship game at the Los Angeles Sports Arena. There they were defeated, by Riverside Poly 64-44 in a hard fought game, but not without first establishing themselves as one of Southern California's premier girls basketball teams. Named to the All C.I.F. Team for her outstanding performance was Tracy Longo who was also the MVP of the Pacific League. Michelle Baney was named to the All League First Team, and taking Second Team honors were Allison Hazeltine, Valerie Juick and Marcella Nino.

CONGRATULATIONS LADY MATS on a job well done!

EVERYTHING OLD IS NEW AGAIN

When trumpets were mellow
And every gal only had one fellow,
No need to remember when
'cause everything old is new again.
Dancin' at your Long Island Jazz Age parties,
Waiter bring us some more Bacardis,
We'll order now what they ordered then
'cause everything old is new again.

Get out your white suit, your tap shoes and tails,
Let's go backward when all else fails.
And movie stars you thought were long dead
Now are framed beside your bed.
Don't throw the past away,
You might need it some rainy day.
Dreams can come true again,
When every thing old is new again.

Get out your white suit, your tap shoes and tails,
Put it backward when forward fails.
But leave Greta Garbo alone,
Be a movie star on your own.
And don't you all throw the past away
We're all gonna need it some rainy day.

Dreams can come true again,
When everything old is new again.
I said everything old is new again.

I might fall in love with you again.

EVERYTHING OLD IS NEW AGAIN

Delora
I'm really sorry
how it began in the
beginning when we first
met but I just know that
we can become better friends
because your cool and a nice person
to talk too but even though we don't
talk enough to each other I'm sure we
can get to know each other more better

Stay cool
Friends always
Arnette
